

## Iowa Teacher Development Academies Second Chance Reading Training Sessions for 2008-2009

### Target Audience for these training sessions:

- Identified teacher teams (this includes a minimum of 2 teachers and 1 building administrator) for each school that has elected to implement Second Chance Reading as a course.
- Any school or district that currently has SCR in place but needs to train additional staff.
- AEA consultants

Individual AEA's may charge for participation. Please contact those individuals listed below for application materials, submission deadlines and any additional information you may need regarding these training sessions.
